How great a matter a little fire kindleth

A spark is usually alone sufficient to rouse

the dormant devil in a Chinese mob. Cre-

practices, the lower classes of the urban po-

pulation in China are always ready to break

sons in a large city—be it in Occident or

Orient—who will spread a canard with the

in China. The officials have often been

severely to blame in not acting with energy

monstrations, doing nothing in some cases

after the exaction of frequent indemnities.

We do not know at present what the cir-

cumetances may be at Hankow which have

led to a riot there, or even whether it is

specially levelled at foreigners. Possibly it

may have nothing to do with them. How-

was stopped in Canton by the soldiers, who

insisted on examining a large backet he car-

naturally straightway taken to the Judge's

yamen, where, after a preliminary inquiry.

the matter was sent down to the Pun-vu

Magistrate. On that official asking the man

where the babies came from he answered

from the Roman Catholic Foundling Hospital

The Magistrate, being satisfied with the re-

plies elicited, gave orders for the release of

the prisoner. The matter did not end here.

however. It soon got wind among the

populace, with no doubt considerable ex-

aggerations, and a man usmed CHEN peti-

tioned the Judge that an inquiry should

THE FIRE IN QUEEN'S ROAD WEST THE MARTER OF THE SHOR CHARGED WITH

The adjourned enquiry into the circumstances attending the recent fire in Queen's-road West was resumed by Hou. H. E. Wodehouse on Saturday at the Magistracy. Mr. Dennys watched the case on behalf of the master of the shop-The following evidence was taken :-

Inspector Mackie, recalled, said-After the djournment I went to the scene of the fire with the master of the shop, in order to give him an opportunity of pointing out any remains of the silk which he said was in the shop. He pointed out some remains of shoes and soveral very small fragments of silk. A careful search was made, and the few small fragments produced were all the traces of silk he could find. coolies were employed in the search. The cockit said in evidence that there were eight boxes of silk in the shop. I saw nothing of them. If

they had been there I should have seen them when the fire first broke out. with Inspector Mackie to the premises. The fragments produced are what were pointed out as the remains of the silk and the shoes that were in the shop. My books were kept, when not in vivce, and to ask him to put a step to this conmyself. There were six books altogether. Four were burnt. Nobody reported the fire to me. Mr. David M'Lenn retired on the 1st inst | was in the Kam Hing shoe shop in Lascar from the Hongkong and Shanghai Banking. Row when I heard the bell ring and I went stationed near the cathedral, but the excitement

have been at any other period. Mr. M'Lean | Chung Hung, shipping clerk in the Yuen Fat certainly carries with him the wishes of a very Hong, said-The Kong Beng arrived here from

In reply to his worship the master of the shop said he paid the freight to Mak Ping, the man in charge of the cargo. The witness Chun Hung said Mak Ping was a tallyman. He was not authorised to receive payments of freight. The manifest contained no mention of a consignment of timber to the

Kwong Shing shop. The master of the shop said his goods were sometimes brought to him by some of the crew on the steamer and therefore dil not appear on the manifest. This concluded the evidence.

His Worship said-This inquiry has been conducted under the Fire Inquiry Ordinance, the procedure of which is that as soon as a fire of the premises where the fire is supposed to suffering from the outbreak, and that the have originated, and make an inspection of the transaction of ordinary business is rendered im-Chetwynd v. > SANGUINARY RIOTING IN BANGKOK.

TRADE AT A STANDSTILL The Straits Times of the 29th ult. says:-From private information to hand, we learn that a serious riot has broken out in Bangkok. amongst the Chinese populace, and that it has assumed such dimensions that all trade is somepended, and the ships are detained in the harbour. The Siamese Consul has received no advices on the subject, but several of our leading Chinese firms have received telegrains which included the bare statements that zerious rioting prevailed. Whether the quarrel has originated with the Kongses, or not, we cannot shall have taken place the police take possession eay, but it would appear that the whole town is

The Straits Times of let July says :- The report fire was accidental, he holds an indepent in that a serious riot had broken out a nonget the vestigation of his own and takes the depositi as Chinese populace of Bangkok is now not only conupon cath of persons who are in a position to firmed, but later and authentic accounts go to persons who are able to furnish him with any show that the affair was of more serious proportions than was reported. From several persons After that investigation is concluded, if in the who have just left the sent of the outbreak, and should therefore be cognizant of the facts, we learn that for a considerable time past the members of the different kongsees have been at logtion and order the release of the premises, but gerheads, and although petty eruptious have been frequent, matters have never actually reached a crisis nutil the present time, when the coolies broke out into open warfare, and by their obstreperous manifestations towards each has power to order a presecution to be other, put all trade to a standstill and kongsees in Bangkok, the coolies in the employ the case, it is impossible for me to come to any Flowery I and, but they nearly all speak the Swatow and Amoy dialects. These two societies have several times been in collision, but on the cause to suspect the master of this shop as being 16th ultimo the disturbances, which o entually connected with that crime. I therefore order a led on to the riot, commenced, and gradually prosecution to be instituted against the master assumed larger dimensions until the night of of the shop, leaving it to the police to prosecute the 18th, when the two bodies met, and after a other individuals connected with the shop if they sharp bout during which firearms were freely used, they again dispersed. This was practical ly the beginning of the rioting. Mesers. Wind. sor, Rose & Co's. mill is situated in the centre of the other companies. On the one side they have the Borneo Co's mill, and on the other the mills belonging to Mesers. Markwald and three Chinese. In the front there are the godown, wharf, and river, while at the back is the main road, so that it may be seen that Mesers. Windsor. Rose & Co's. coolies, or the No. 1 society, had coclety, instead of returning to their ordinary The need of a sufficient building is most pressing. routine duty, occupied themselves by erecting of the mill. The barricades consisted of old sacks and gunny bags sup-A little shooting was all that transpired that day. About 5 o'clock on the following morning near Messra. Windsor, Rose and Company's wharf, at a given signal rose on masse and clambered on the Hecate's deck. Each coolie . Lwas armed with some sort of a weapon, either spear tory storming of the Hecate, to the no small consternation of the captain and officers, was with have been granted at some inconvenience, and the theobject of annihilating their opponents, whem building at present can accommodate no more, except they thought were working on board. On being informed to the contrary, they left for There are still nine boarders and seven day-scholars the shore, and getting behind their fortifications on the main road, opened the attack upon No. 2 society with a volley from the firearms, and only that a renewed appeal is made to the public for a shower of stones and other missiles. Several

ing altogether about five thousand, came to attended to. The coolies fought more like There are now 59 boarders in this institution, demons than human beings, they were all more ally grinning the while, showing the fearful lot that might befall others who fell into their ciutches. This occurred on one or two occasions, and goes to prove the excited state of mind in which the combatants were. Although these fearful crimes were being committed, it must be said that the conflict was conflued to the memimportance as it endeavours to demonstrate the bers of the two societies. Several Europeans werelin the vicinity, but at present we have heard of no assault upon any one. The battle wards civilisation and improvement Japan is continued all that day. During the evening it quoted as an example of the good results that got wind that the coolies intended firing Messre. accrus from a liberal policy, and officials and Windsor, Rose & Co's mill. The manager's call. for assistance brought forward the Chief Engineer of the Hecate, and some of the Engineers and Officers from the two Red Funnel boats Several women were carried away from the lying in the harbour, so that altogether, a team savages, and the officials have taken them over of thirteen Europeans mustered at the mill, while seven guarded the godown. These who had not firearms of their own, were provided with them by the Engineer of the mill. The Hecale was lying alongside the whart near he will Several boys were paddling about in the river where the fighting was going on, and the Captain and Officers were rather slarmed lest the mob should rush and attempt to set fire to the

ship. Steam was got up in the boilers, a born

was attached to the donkey rump, a strict watch

emergency. The coolies made one or two attempts

to got at the mill. Once they sent, a bundle of burning substance dangerously close, but the stoff was soon extinguished. The Europeans did not know one society man from another, so they the cavelry. In the rush to get away, about off on the 14th June at the scene of the crime fiteen men were unborsed, but those who struck without any public disturbance. on with their long swords created a sheel among In Java, success has attended efforts to make from the time the order to charge was given, not influences. were then drawn up in line along the road in year makes a satisfactory showing, in so far that to stop when called upon to do so, they were bayonetted without morey. In the meantime a capital in interest yielding securities. smelling pigswash. About 900 were taken into

not above a little looting, the cargo on the

D0800. LATER NEWS. Yesterday morning a squadron of Cavalry ander Captain Castenskield, a detachment of issue unplaced bonds, in order to maintain the not least, the marines under Commodors A. question as to its completion. de Richelian appeared on the scene of the riota; a lively in lade took place, and a good many Chi samen were killed and wounded, but it must be said that the Siamese soldiers acted humanely, morning at an advanced age. He ascended the and no nanecessary blood-shed took place. About six hundred Chinese were captured at the different Rice Mills and tied together in pairs with their pirtails which came in very handy for the purpose. About 400 guns, revolvers, and spears were seized. Numbers of the rioters were caught in the water tanks of the steamer Hecale, in her on the subject. It will be a pity if the project coal bunkers, and in the funnel, and some were caught bundled up in small baskets and among pire fodder with only the mouth and nose above the surface.

Mr. E.B. Gould, the British Charged'Affaires accompanied by Mr. French, the Acting Consul. and several officials of the British Legation, was on the scene of action and gave permission where the house of British subjects had to be searched. Owing tosome requests addressed to the German L-gation having been written in Siamese, some delay occurred before searching Messrs. A. Markwald & Co.'s Mill. It is to be hoped that now the Siamose have

shown themselves to be masters in their own country, they will keep the upper hand of the Chinese and not permit anything of the kind to The riots will cause heavy loss to the steamship lines to Singapore and Hongkoog. The

steamer Hecate, which should have left yesterday, is not yet discharged; the steamer Hecuba has been here since Thursday, and to-morrow the 29th May what he believed to be the dominthe steamer Hydra is expected.

between thirty and forty, taken during the last and country outside of Great Britain, the Marziots some four montha ago, were released after | quis of Dufferin said :- "Removed as we are paying each three cattles as a fine. We hope, al. from the turmeil of party politics and the acerthough we are no friends of capital punishment, bities of party confroversy, our thoughts and that the blood aspecially of innocent passers by familties are naturally more directed to the conthat has been shed on this occasion will not be templation of the Empire as a whole, and to deavenged by mere money payment. We hope voting ourselves to its consolidated interests. at least to see the ratten freely used upon the To our fond imagination, in whatever distant 600 now esptured, as a warning to themselves lands we may be serving, amid all our troubles and other members of the secret accieties.

THE P. AND O. COMPANY. The following is taken from the report pre- much as any other for the general moral and cented on the 12th inst. at the half-yearly meet. material happiness of mankind, and which ing of the P. and O. Company :-expectations formed of them. Two of the new secret of gradually interweaving the new cargo steamers, the Bombay and Hongkong, are material of progress into the outworn tissues of now at work, the former having been despatch. ancient civilisations, and of reconciling every died to Singapore, while the latter is at present | vers ty of barbarous tribe to the discipline of a loading for the China ports. The Deccan, which was built in 1848, has been sold. The directors and praceful commercial flag illumines every sea shappy to state that the mail services have and pavilions every shore, whose language is al. Steamship Coys.—
